Town of Plymouth, NC

Street Paving

Overview

The Town of Plymouth seeks qualified bids for the paving of ten (10) streets within the Town. The Town seeks proposals from qualified contractors to provide all necessary materials, labor, and equipment to complete the project.

Project Scope

The street paving project encompasses the following streets within the Town: 1) Anne Street; 2) Sterling Drive; 3) Luvera Street; 4) West Avenue, from Highway 64 to Roosevelt Ave.; 5) Hyman Lane; 6) Bradley Road; 7) Johnson Lane; 8) Fort Williams Street, from Jefferson St. to Monroe St.; 9) Woodlawn Terrace; and 10) Albemarle Drive, starting at East Main St. and paving the first 100 feet.

All streets are required to have a 1.5" overlay as follows: clean, tack & install 1.5" type S9.5C asphalt, adjust all manholes and water valve covers.

Required Timeline

All work must be able to be completed between November 15, 2020 and March 15, 2021.

Submit sealed proposals to: Town of Plymouth, Attn: Mike Wright, 124 East Water St., Plymouth, NC 27962 **no later than 3:00 pm, Thursday, October 15, 2020.** Proposals received after this date and time will not be considered. **Please mark the envelope "Paving RFP".**

All bids will remain sealed until opened at a public meeting on, Thursday, October 15, 2020, at 3:00 pm. The awarded bidder will be notified by Friday, October 23, 2020.

Proposal Requirements

Proposals should include the following:

- Fixed-price quote for materials, labor, and work schedule, including total quantity of road surface to be treated and total quantity of material to be appropriated.
- A list of references of equivalent work included with bid.
- Prequalification by the NC Department of Transportation in the category of paving.
- A copy of applicable insurance certificates to include proof of general liability coverage and Worker's Compensation Coverage in compliance with State guidelines.
- Payment terms and a work completion date.

Selection Process

The Town will solicit a minimum of three price proposals.

The Town will review all proposals, and may review select proposals with the individuals or firms being considered. The Town reserves the right to accept or reject any or all proposals, to abandon or revise the project and/or to reissue an RFP for the same project.

The Town is not obligated to select the lowest bid, or follow any other criteria in selecting the successful bidder. The Town shall select the proposal which, in the Town's view, after evaluation of the qualifications of the bidder and proposed scope of work and schedule, is most advantageous to the Town. The Town also reserves the right to negotiate terms with the contractor awarded the bid.

Other

By submitting a proposal, contractors represent that they have examined the site and satisfied themselves that they can complete the project successfully for the amount bid within the indicated timeframe.

The awarded bidder is expected to provide a plan to maintain a safe work environment for their employees, and for non-employees passing around or passing near the work zone.

Any questions regarding the proposal should be sent by email to mike.wright@visitplymouthnc.com with the subject line containing "RFP Paving 2020".

Thank you for your interest.
