

Wilson Street Park

Sealed informal bids for the construction of the Baseball Field Drainage Design - Wilson Street will be received at the office of the Town of Plymouth, 124 E. Water Street until 2:00 p.m. local time on Thursday, August 25, 2022, at which time the bids received will be publicly opened and read.

The Project consists of constructing the following major items:

New 8' wide asphalt multi-use path, picnic shelter, concrete pad, gravel parking area, fencing, erosion control and minor landscaping.

Check the "Forms and Permits" Tab on our Home Page for more information.
